REPORT FOR THORNDON PARISH COUNCIL MEETING – 02/02/2012.

Reported Crimes.

There have been six reported crimes in the Parish of Thorndon since our last report.

On 3rd January access was gained to a garage at premises in the High Street and a petrol disc cutter stolen.

Between 3rd and 5th January a television was stolen from a summerhouse at premises in High Street.

A burglary was attempted in Fen View when padlocks on a garage were cut.

Heating oil was taken from a domestic tank at premises also in High street on 15th January.

Between 13th & 18th a bicycle and two petrol containers were taken from an insecure garage in the High Street and between 14th & 21st two bicycles were stolen from another garage also in High Street.

Our response to this outbreak of crime is to place Thorndon as one of our Priorities with increased patrols by SNT staff during late evenings, advise to households and collaboration with our partners.

Security for Winter.

As the above demonstrates Garages, Sheds and workshops are extremely vulnerable at this the darkest time of the year. Where possible install security lighting and fit secure locks to protect mowers, bicycles, tools and electrical equipment.

Oil tanks continue to be targeted by thieves, again please ensure you fit adequate means to protect your investment, including screening, lighting and padlock alarms.

Vehicles should be secured in garages or parked in open well-lit areas please do not leave valuables on view, either in a vehicle or your home.

Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable mobile equipment consider having tracking device fitted

New Non Emergency telephone number.

For the benefit of anyone who has not seen our communications regarding contact numbers for **non emergencies**, this is **101** which should be used when a Police Officer is required but not as a matter of Urgency.

In the case of a **Real EMERGENCY** always dial **999**.
