### **Ongoing Crime Prevention Advice.**

As thoughts turn to summer and gardening please take every precaution in securing equipment and outbuildings. Sheds, Garages continue to be an easy target for thieves. Hundreds and sometimes thousands of pounds worth of tools and equipment being stored in sheds and garages with very little or no security. Always fit a quality lock and even consider fitting a burglar alarm.

Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable mobile equipment consider having tracking device fitted.
