REPORT FOR THORNDON PARISH COUNCIL MEETING 05/12/2013.

Reported Crimes.

There has been no crime to report in the village since our last report.

GENERAL

The latest statistics show overall crime down by more than 5% compared to last year.

Parking at the School,

We have visited the school who have taken steps to reduce parking at the junction with posters and letters to parents and staff.

The school is also looking to alternative parking for parents and is encouraging a walk to school policy.

We have identified a problem in the private driveway alongside the school and in the church grounds but as this is not a public highway we are unable to prevent parking at this locus.

Ongoing Crime Prevention Advice.

Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable mobile equipment consider having tracking device fitted.
