## **REPORT FOR THORNDON PARISH COUNCIL MEETING 06/03/2014**

### **Reported Crimes**

There have been 2 crimes reported to us in the village since our last report:

- 1) ST/14/514 refers to the Theft of power tools and a CAT converter from a high sided vehicle
- 2) ST/14/619 refers to the Theft of a Cat converter from a high sided vehicle

We are aware that there may have been more CAT converter thefts in the vehicle which have not yet been reported to us.

We are holding a Free CAT Marking day at Lamberts Service Station in Bacton on Saturday 22<sup>nd</sup> March.

### **GENERAL**

We have recently had a spate of Catalytic Converter thefts in the area particularly from high sided vehicles.

We have also had a series of oil tank thefts predominantly in the north of the patch, close to Eye.

Outbuildings have also been targeted. Please take time to ensure that your sheds and garages are secure. Please be vigilant and report anything suspicious.

If you would like any crime prevention advice please feel free to contact us through 101.

We have had some good results with burglaries in the area east of the A140 recently closing off a spate of burglaries reported in June and July time of last year. We've managed to apprehend 2 separate groups of offenders and detect several burglaries in the area.

One of these was fairly unique in that the offender was not known in this country and we identified him via a DNA hit in Lithuania resulting in an arrest when his feet hit the tarmac at the airport a few weeks ago.

### **Ongoing Crime Prevention Advice.**

Take pictures of valuable items and record their identification numbers or register them on the National database "Immobilise." If you have valuable mobile equipment consider having tracking device fitted.
