Children's Centres cuts given go-ahead by Scrutiny Committee

Following the Cabinet's decision in August to close 10 children's centres, my group joined forces with the Labour group to challenge this decision. Our challenge focused on concerns over the lack of financial analysis and the lack of clarity over the new outreach model.

The challenge was discussed by the Scrutiny Committee on 11 September. Unfortunately, the majority of the Committee voted against our challenge and endorsed the Cabinet's decision. This means that the planned changes to children's centres in Suffolk will go ahead.

Suffolk County Council decides to oppose Sizewell C

The Cabinet at Suffolk County Council agreed on 22 September that they can no longer support EDF Energy's proposals for Sizewell C in their current form. However, the Cabinet maintained their support for the principle of a new nuclear power station in Suffolk.

The Cabinet's key concerns were regarding transport impacts, site design and the environmental impact on the Suffolk coast. The Cabinet also believe that the current proposals do not sufficiently avoid, minimise, mitigate or compensate impacts of the proposed development.

These concerns will be submitted as Relevant Representations to the Planning Inspectorate.

Financial impact of Covid-19 on Suffolk County Council budget

Suffolk County Council has published their Quarter 1 Budget Monitoring Report. This focuses heavily on the impact of Covid-19 on the council's finances.

The council is currently forecasting a net overspend of just £0.4m (0.1%) for the 2020-21 budget. The headline figures are:

- Additional expenditure from core budget - £41.2m
 - o £43.9m – additional expenditure and lost income due to Covid-19
 - o Offset by underspend of £2.7m from non-Covid business as usual activity
- Additional funding - £40.8m
 - o £39.1m – non-ringfenced Covid-19 grants from the Government
 - o £1.7m – additional funding from business rates

Boundary review restarts with consultation on draft recommendations

Following a delay due to Covid-19, the Boundary Commission has restarted the boundary review for Suffolk with a consultation on their draft recommendations, which include a reduction to 70 councillors. Any boundary changes will not be implemented until the 2025 elections.

The draft recommendations and boundary changes are available to view on the Boundary Commission's website: <https://www.lgbce.org.uk/all-reviews/eastern/suffolk/suffolk-county-council>

The consultation on these recommendations will run from 15 September – 23 November and can be found here: <https://consultation.lgbce.org.uk/have-your-say/18495>
