

HELP THORDON PARISH COUNCIL DESIGN A NEW CHILDRENS PLAY AREA.

Thorndon Parish Council would like to submit a grant application with Mid Suffolk Council to replace our existing play equipment due to its deteriorating condition.

To support the application, we would welcome views from the community, specifically the children who use the play area, to help us understand what equipment **you** would like to see installed.

Please come visit us and talk us through **your** ideas:

Saturday 21 September 2024 from 14:00
Thorndon Play Area, Fenn View, Thorndon.
